

2021–2022 DEPENDENT VERIFICATION WORKSHEET (V5)

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the Office of Financial Services at UVF will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Services at UVF. UVF may ask for additional information. If you have questions about verification, contact the Office of Financial Services as soon as possible so that your financial aid will not be delayed.

Instructions: Complete this section if the student filed or will file a 2019 IRS income tax return. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer. *If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2019 IRS income tax return information into the student's FAFSA.

To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
