WORSHIP STUDIES

MASTER OF ARTS PROGRAM (33 CREDITS)

The Master of Arts degree in Worship Studies is designed for worship leaders, music pastors, church musicians, lead pastors, associate pastors, missionaries, and laypersons interested in pursuing graduate studies in worship. Each course in the program will focus on unchanging Biblical truth as a basis for assessing the appropriateness and usefulness of traditions and innovations in worship.

Through this program Pentecostal spirituality is understood in both its unique distinctive and its historical connections with the classic Christian spirituality of the apostles, the church fathers, and the reformers. Emphasis will be placed on the ministry of the Holy Spirit in private and public worship.
