

Coloring Page

Each of our God gifts is given as a way to reflect the beauty of our Creator and serve those around us. In light of this, this coloring page is going to serve as an avenue to do just that!

Please take a few moments to color in this sunrise. We request that you then give this picture to someone else. It is just one small way to serve one another and put what we have been learning into practice.

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."

1 Peter 4:10
