

Jesus Served Me First

Jesus served His disciples above Himself. A perfect example of this is seen in him choosing to wash the disciples feet.

May we seek to humbly love those around us with this same selfless extravagance. In that serving, may we continually have our eyes fixed on our humble King who has so graciously served us. He is our source and allows us to have this enduring love in the trials and joys of life!

This kind of love is a beautiful incense of worship to our King!

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.”

1 Peter 4:10
