Can I get accepted over Christmas break?

Acceptance reviews will be paused during break and will resume as soon as the office opens again. Be sure to complete the application in its entirety, including the short-answer question.

I need FAFSA help. Who should I contact?

For help filling out the FAFSA, contact the FSA help line at 1-800-433-3243. Check out StudentAid.Gov's FAFSA FAQ's here: <https://studentaid.gov/apply-for-aid/fafsa/filling-out/help>

UVF's Financial Services call center will be open for limited hours over Christmas break, so you may call 610-917-1457 for questions about your UVF account. Note that the call center team is not able to access your FAFSA account; for questions specific to filling out your FAFSA, the government help line is best.

Where can I go for Spring 2025 Check-In information?

Go to <https://valleyforge.edu/newstudent/> for Check-In and Orientation information, packing lists, and more!

Can I still log in to my UVF account?

If you've submitted your deposit and received your credentials, you can still log in to your UVF email, MyValleyForge, and Canvas at any time over break. Check out <https://login.valleyforge.edu/> for more information.

Can I register for classes over break?

New students or transfer students will have their spring schedule created for them by the Registrar's Office. Readmit students should work with their academic advisors to create their spring schedule. Course scheduling will be paused over break and will be available again when offices re-open on January 2nd.

While offices are closed, you may still feel free to email or leave voicemails. We will connect with you as soon as we can in January.
